

Dear Campers,

Johnny and I were talking about how we would both like to get to know our campers a little better. We know many of you, but sometimes it is hard for us to keep track of names; who belongs to what site, whose dog we just found, and things to that nature. With that said, I have created a questionnaire below that we would really love for you to fill out. It will help us for a number of reasons, but most importantly, it will help us get to know you.

We would also like to take a picture of all of our camping families. If you get the chance, once the season starts, stop in the store with your family to get your picture taken. We'll do it on a digital camera so that we can also send a picture to you! My goal is to make up a scrapbook of our 'extended family'.

If you have any comments or pleasant experiences that you would like us to put onto our website, please fill them after the questions end, or you can go to our website and email them to us. As a side note, if you would rather me email you the questionnaire so that you can fill it out on your computer, just let me know and I'll send it right over. We will also have the survey posted at www.bakersacres.com/reservations.htm.

Jack also came up with an idea that we thought many of you would appreciate. Let us know where you work (whether you own your own business, work in a mom and pop shop, or for a big corporation). We'll set up a directory, for our seasonals only, to browse through. Now, if you need a plumber (as an example), you will be able to turn to your seasonal directory and have the option of hiring someone you know, or perhaps even offering a trade ("If you fix my plumbing, then I can give you a great discount on fences). This is completely optional of course. If you would like Jack and the rest of the "Baker's" to know what you do, but you do not want us to share this information with the rest of the seasonals, just put a big asterisk next to that question.

We will not share ANY of the other questions with anyone else, except when we announce our monthly winners for birthdays and anniversaries. Or, if we create a monthly newsletter, we will post that month's birthdays and anniversaries.

Finally, I would like to promote all of our campers to keep us updated with what you think. If you would like to share your comments or concerns anonymously, then go for it! You can go to our website, click on guest

comments, and just fill in the fields as “seasonal comments”, and fill the required fields in with zeros. We just ask that you please keep your comments respectful.

Thank you for participating, and we hope this will be fun for all!

PLEASE PRINT CLEARLY
